

Utah Weatherization Program Notice

Effective Date 4-30-2014

UWPN # 2014-001

Subject: Annual Notice of Program Changes

Basis: Annual Public Hearing

Purpose: As required by 10 CFR 440.14(a) the State will be holding a Public Hearing to receive comment on the State Plan that will be submitted to the Department of Energy for PY2014.

This program notice documents the changes that are currently being proposed for PY 2014 and reiterate the changes made during the course of the PY 2013 using the Program Notice format in D1. 1. B. i.

Scope: The changes noted in this UWPN will be effective 4-30-2014.

Included with this notice are the year's previous UWPN's.

Responsibilities:

Local Agencies –

- Review proposed changes and provide any comments
- Implement applicable changes on effective date.

State WAP Staff –

- Amend Program Guidelines with necessary changes for submittal of the annual DOE grant application. (Change 2014-006 to 2014-016)
- Compile Previous changes and issue with UWPN 2014-001 (UWPN 2013-014, 015, 016 & 2014-008, 010, 011, 012)
