

Utah Weatherization Program Notice

Effective Date 22 February 2014

UWPN # 2014-011

Subject: Implementation of ASHRAE 62.2-2013 & Other Changes

Basis: Guideline Update

Purpose: This change updates the guidelines to reference the new version of the standard. This change also includes some minor changes noted in the Change Log which is attached.

Scope: This change applies to all current and future applicants. This change will apply to all work that is not in progress on the Effective Date.

Responsibilities:

Local Agencies –

- Implement new policy and conduct in house training to inform staff.

State WAP Staff –

- Amend Program Guidelines and publish. (Changes 2013-068, 070 to 072)
- Make adjustments to Attachment 22 ASHREA 62.2 Calculator and publish.

Brad Carpenter
Program Specialist
Utah Weatherization
